

Whereas a number of nongovernmental organizations are proposing that a cap and trade regulatory system be adopted on a global scale;

Whereas the “outcome document” produced by the September 20–22, 2010, United Nations Summit on the Millennium Development Goals (MDGs) commits the nations of the world, including the United States, to supporting “innovative financing mechanisms” to supplement foreign aid spending;

Whereas the term “innovative financing mechanisms” is a United Nations euphemism for global taxes;

Whereas the “Leading Group on Innovative Financing for Development,” a group of 63 countries, seeks to promote the implementation of “innovative financing mechanisms”;

Whereas a “Task Force on International Financial Transactions for Development” is working within the Leading Group and with the United Nations to propose and implement global tax schemes;

Whereas “innovative financing mechanisms” are going to be on the agenda for the G8 and G20 summits in France in 2011;

Whereas new international taxation and regulatory proposals would be an affront to the sovereignty of the United States;

Whereas the best manner by which to overcome the economic downturn in the United States includes taking measures that would—

- (1) lower tax rates;
- (2) reduce Government spending; and
- (3) impose fewer onerous and unnecessary regulations on job creation; and

Whereas the worst manner by which to overcome the economic downturn in the United States includes taking measures that would—

- (1) increase tax rates; and
- (2) expand government intervention, including intervention on a global scale: Now, therefore, be it

*Resolved*, That it is the sense of the Senate that Congress should reject any proposal for the creation of—

- (1) “innovative financing mechanisms” or global taxes;
- (2) an international system of government bailouts for the financial sector;
- (3) a global cap-and-trade system or other climate regulations that would—
  - (A) punish businesses in the United States; and
  - (B) limit the competitiveness of the United States; and
- (4) a global tax system that would violate the sovereignty of the United States.

#### SENATE RESOLUTION 112—CONGRATULATING THE PENNSYLVANIA STATE UNIVERSITY IFC/PANHellenic DANCE MARATHON (“THON”) ON ITS CONTINUED SUCCESS IN SUPPORT OF THE FOUR DIAMONDS FUND AT PENN STATE HERSHEY CHILDREN’S HOSPITAL

Mr. CASEY (for himself and Mr. TOOMEY) submitted the following resolution; which was referred to the Committee on the Judiciary:

S. RES. 112

Whereas the Pennsylvania State IFC/Panhellenic Dance Marathon (referred to in this preamble as “THON”) is the largest student-run philanthropy in the world, with 700 dancers, more than 300 supporting organizations, and more than 15,000 volunteers involved in the annual event;

Whereas student volunteers at the Pennsylvania State University annually collect

money and dance for 46 hours straight at the Bryce Jordan Center for THON, bringing energy and excitement to campus for a mission to conquer cancer and awareness about the disease to thousands of individuals;

Whereas all THON activities support the mission of the Four Diamonds Fund at Penn State Hershey Children’s Hospital, which provides financial and emotional support to pediatric cancer patients and their families and funds cancer research;

Whereas each year, THON is the single largest donor to the Four Diamonds Fund at Penn State Hershey Children’s Hospital, having raised more than \$69,000,000 since 1977, when the 2 organizations first became affiliated;

Whereas in 2011, THON set a new fundraising record of \$9,563,016.09, besting the previous record of \$7,838,054.36, which was set in 2010;

Whereas THON has helped more than 2,000 families through the Four Diamonds Fund, is currently helping to build a new Pediatric Cancer Pavilion at Penn State Hershey Children’s Hospital, and has helped support pediatric cancer research that has caused some pediatric cancer survival rates to increase to nearly 90 percent; and

Whereas THON has inspired similar events and organizations across the United States, including at high schools and institutions of higher education, and continues to encourage students across the United States to volunteer and stay involved in great charitable causes in their community: Now, therefore, be it

*Resolved*, That the Senate—

(1) congratulates the Pennsylvania State University IFC/Panhellenic Dance Marathon (“THON”) on its continued success in support of the Four Diamonds Fund at Penn State Hershey Children’s Hospital; and

(2) commends the Pennsylvania State University students, volunteers, and supporting organizations for their hard work putting together another record-breaking THON.

#### SENATE RESOLUTION 113—COMMEMORATING THE 2011 INTERNATIONAL YEAR OF FORESTS

Mr. LUGAR (for himself and Mrs. SHAHEEN) submitted the following resolution; which was referred to the Committee on Agriculture, Nutrition, and Forestry:

S. RES. 113

Whereas United Nations Resolution 61/193, adopted by the General Assembly on December 20, 2006, designates the year 2011 as the International Year of Forests;

Whereas the forests of the United States are essential to the health, environment, social fabric, and economy of the United States, as well as to the individual well-being of the people of the United States;

Whereas the forests of the United States are owned, managed, and conserved by a mosaic of family, business, and public entities, with the largest segment of forests owned by 11,000,000 Americans;

Whereas privately-owned forests supply 92 percent of the trees harvested for the wood products that the people of the United States use every day;

Whereas the forest products industry—

- (1) accounts for approximately 5 percent of the total United States manufacturing Gross Domestic Product (GDP);
- (2) is among the top 10 manufacturing sector employers in 48 States; and
- (3) employs nearly 900,000 Americans;

Whereas wood products are 1 of the most environmentally friendly building materials, resulting in a maximum reduction in energy

use of 17 percent and a more than 250 percent reduction in air and water pollution, when compared to alternative materials;

Whereas forests supply more than 50 percent of the current renewable energy consumed in the United States;

Whereas as of 2011, the forests and forest products of the United States sequester and store 12 percent of annual United States carbon emissions and, with the proper incentives, can increase the percentage of annual carbon emissions that are sequestered and stored;

Whereas 53 percent of the fresh water supply of the lower 48 States originates in forests and ¼ of the supply originates in private forests;

Whereas 60 percent of at-risk plants and animals rely on private forests, and more than 90 percent of at-risk species rely on all forests for habitat;

Whereas the 14,000,000 Americans who hunt and the 44,000,000 Americans who fish depend on private forests for most of the habitat for fish and wildlife;

Whereas the United States leads the world in sustainable forest practices;

Whereas even while forested acreage as a whole is increasing, permanent loss of forests in ecologically and economically important areas is expected to increase, with 57,000,000 acres of private forests facing significant development pressures in the next 2 decades;

Whereas more than 58,000,000 acres of United States forests are at risk due to insects and disease, especially invasive forest pests, which threaten the health and vitality of forests;

Whereas more than 400,000,000 acres of private forests are at risk due to wildfires, especially in areas where forested boundaries and communities meet; and

Whereas more than 170,000,000 acres of privately owned forests will change hands in the next 2 decades, with a potential loss of the public benefits derived from those forests: Now, therefore, be it

*Resolved*, That the Senate, in commemoration of the 2011 International Year of Forests—

(1) recognizes the multiple contributions that forests of the United States make to the traditions, health, and way-of-life of the United States;

(2) recognizes the growing threats faced by forests of the United States; and

(3) expresses support and appreciation for—

- (A) the 11,000,000 people of the United States who own the majority of the private forests of the United States; and

(B) the thousands of forestry professionals who work every day in the forests of the United States who work to conserve the publicly and privately owned forests of the United States.
